Mirror Moodnotes

Featured Products from *I Want That!* Baths Episode 107

Fun, new mirror stickers are sure to add a smile to anyone's face. Available in a variety of styles, these thoughtful stickers are easy to install. Just clean the mirror and place the sticker. Peel back the translucent paper, squirt on a thin mist of water and then position the decal. These happy greetings will "stick" with you all day.

Plush Shower Curtains

[Featured Products from I Want That! Baths Episode 104](#)

Douche Shower Curtains are very different from conventional ones in that they have a laminate coating that makes them completely waterproof. The water beads up on the inside, while the outside stays completely dry. The waterproof shower curtain is mildew resistant so it eliminates the need for a liner. This durable design is available in six different styles and colors.
